

Thursday 26 May 2016

Dear Perronet House / Princess Street Resident

You are invited to attend a meeting to find out more about the Residents Association's proposal to become part of the Leathermarket JMB Tenant Management Organisation.

Council Tenant Pop-In Meeting
WEDNESDAY 8 JUNE

5.30pm – 7.30pm
Room 93, P-level, Perronet House

- Chat with Andy Bates, Manager, Leathermarket JMB TMO.
- Meet other Council Tenants who live within homes already looked after by the Leathermarket JMB TMO. Find out why it's better.
- Have a cup of tea, juice and some home made cake
- Chat with your Resident Association committee.

This meeting is especially for council tenants because serving council tenants is at the core of what a tenant management organisation is there to deliver. Council tenants have a big say in how the Leathermarket JMB TMO is run.

You will have an opportunity to vote on whether Perronet House & Princess Street becomes part of the TMO.

Find out more online at PerronetHouse.com/Residents. Follow the link to the Leathermarket JMB on this page.

The committee are recommending we become part of an established and trusted local TMO because we are not aware of any residents who want to be part of forming a tiny TMO specifically for Perronet House & Princess Street. If we are wrong and you do want to go down this route, please get in touch with us and Lee Page at Southwark Council.

Yours faithfully,

Richard Reynolds Chair	Freida Thackery Vice Chair	Jane Livesey Treasurer	Andy Beauchamp Secretary
