Dear Residents of Burwash and Simla House,

RE: Installation of New Chutes

We would like to inform Kipling Estate residents that the installation of a new chute will start taking place on the 5th of September 2023 for four days after the TRA have requested this critical change.

You will not be able to use the chute from that day as it will be out of action for the installation. Bins will be provided at the bottom of the build to help with the disposal of your waste during this period.

Kindly contact us if you are a vulnerable resident and need help with the disposing of your waste.

We apologise for the disruption it may cause to your household.

Thank you for your cooperation in advance.

Regards

Miss Rosemary Awere
Resident Service Officer
