

**Re: Lockyer 51- 63 Carpark Re-surfacing Works**

Dear Resident

We write to advise resurfacing works to your carpark, which is due to start next week as follows,

***Lockyer Carpark –Day 1 - 6th September / Day 2 - 7th September***

**Photos of areas effected**

Please note the works are estimated to last 2 days in duration and these works will be carried out by Contractors (S T Resurfacing LTD), who have completed works for the JMB previously at Simla House, Burwash House and Kipling Estate. During these essential works we ask residents to ensure their vehicles are not parked in the carpark on both dates between 7am and 5pm.

For reference it was intended to delay the start of these works on site till later in the year, however with continually increasing costs, this will come at significant additional costs to all, which the JMB are keen to avoid, hence the quick progression of these works on this occasion.

Should you have any queries please contact Resident Services Officer (Sandra Martin) in the first instance, as indicated below. Alternatively, the Estate Upkeep Manager (Daniel White) will be on the estate should you have any queries.

We thank you for your cooperation and apologise in advance for the inconvenience caused to residents.

Yours sincerely

Ms Sandra Martin  
Resident Service Officer
