

Lawson Estate

04<sup>th</sup> September 2024

Dear Residents

**RE: Parking enforcement**

I hope this letter finds you and your family well.

As you are aware the parking enforcement was suspended on **Lawson estate** because of major works. I am happy to announce that the major works are complete, and we would like to announce that parking enforcement will come back into effect from **1/10/2024**

This means residents and their visitors will need to display the correct permit on their vehicles to avoid receiving a parking ticket. Residents can now apply for their permits online at <https://www.leathermarketjmb.org.uk/>, or at the office.

I would like to remind tenants in the new buildings that, their properties are not allowed parking on the estate as advised at the time of allocation and sign up.

I hope the above is clear, if you have any concerns or questions please do not hesitate to contact the office.

Yours sincerely

Resident services officer
